Department of Orthodontics and Dentofacial Orthopaedics

Student Exchange Program - 31st January 2023

The department hosted six post graduate students from the Dept of Orthodontics and Dentofacial Orthopaedics, Sinhgad Dental College & Hospital, Pune, along with their teacher and Principal, Dr. Sameer Patil. They observed the functioning of the department and interacted with the faculty.

The faculty presented lectures on special topics, Dr. Sumitra - IBO awareness and finishing and detailing, Dr. Anup Belludi - Surgical Orthodontics and Dr. Abhiram – case series on biomechanics in clinical orthodontics. Our post graduate student Dr. Eshwar P presented on an innovative M –MARPE. In the post lunch session, our post graduate students showed them a variety of complex cases treated with different appliance systems and innovative approaches.

The names of the guest students were:

Dr Nandini Hake, Dr Anamika Shrivastav, Dr Radhika Sawant, Dr Chaitali Rekhate,

Dr Abdulrehman Foujdar and Dr Nitin Rekulwad.

The students and the faculty appreciated the department's efforts and achievements.

Remarks :

The orientation program for the newly admitted undergraduate students of BDS was organized on 29th December 2022. Students and their parents were formally welcomed and introduced to the culture of the college, campus and University. The students and the parents were given a complete overview about the BDS curriculum. During the orientation the students were made aware of the career prospects after BDS. The students were instructed about the code of conduct in the institution, they were also briefed about the anti-ragging measures in the institution. The students were made aware of the various measures against sexual harassment in the institution and were sensitized about gender equality. This event was aimed to imbibe a sense of commitment and responsibility of the students for sustainable development. The orientation day program was highly appreciated by the fresh undergraduate students and parents.

Number of Students attending the orientation day program:50

Guiding Light Program for 1st BDS

Event:

Guidance Program

Speakers:

Dr. Ashok Kumar

Former Director of Public Health

KAHER University, Belgaum

Department/ Collaboration:

Criterion I, IQAC initiative & Department of Oral Pathology

Remarks:

The program was designed to help students explore their interests and passions and learn about different learning options that are available to them. The program was conducted by Dr. Ashok Kumar who included a variety of interactive sessions. Students had the opportunity to learn about different career paths, develop skills and get advice on how to build up their career in the field of dentistry. Overall, the guidance program was a valuable and informative experience for students. It helped students to build up one's own career and think more critically about future goals. It also gave tools and resources that are needed to make informed decisions about education and career path.
