Remarks :

The orientation program for the newly admitted undergraduate students of BDS was organized on 29th December 2022. Students and their parents were formally welcomed and introduced to the culture of the college, campus and University. The students and the parents were given a complete overview about the BDS curriculum. During the orientation the students were made aware of the career prospects after BDS. The students were instructed about the code of conduct in the institution, they were also briefed about the anti-ragging measures in the institution. The students were made aware of the various measures against sexual harassment in the institution and were sensitized about gender equality. This event was aimed to imbibe a sense of commitment and responsibility of the students for sustainable development. The orientation day program was highly appreciated by the fresh undergraduate students and parents.

Number of Students attending the orientation day program:50

Guiding Light Program for Ist BDS

Event:

Guidance Program

Speakers:

Dr. Ashok Kumar

Former Director of Public Health

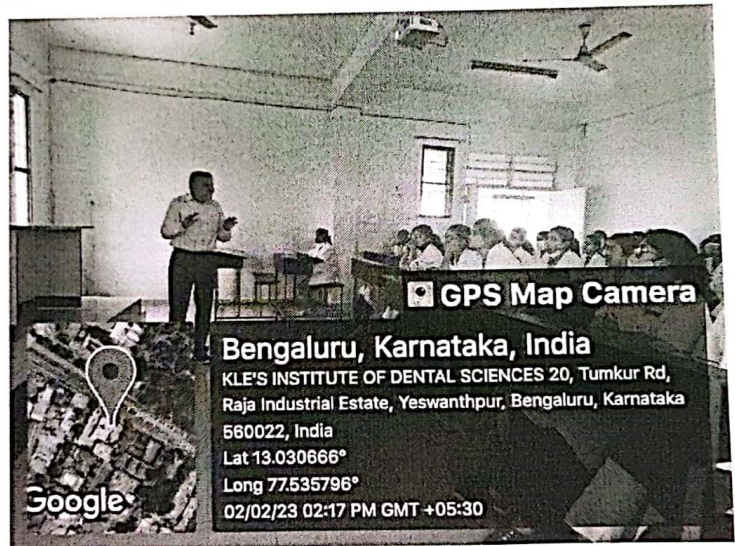

KAHER University, Belgaum

Department/ Collaboration:

Criterion I, IQAC initiative & Department of Oral Pathology

Remarks:

The program was designed to help students explore their interests and passions and learn about different learning options that are available to them. The program was conducted by Dr. Ashok Kumar who included a variety of interactive sessions. Students had the opportunity to learn about different career paths, develop skills and get advice on how to build up their career in the field of dentistry. Overall, the guidance program was a valuable and informative experience for students. It helped students to build up one's own career and think more critically about future goals. It also gave tools and resources that are needed to make informed decisions about education and career path.
