

# MEDWHIZ LMS

All-in-One LMS software for Medical Education

Medwhiz LMS offers an Online Learning Platform for all Medical Aspirants & the healthcare field. To ease the usage of the LMS, the Mobile Application has been introduced recently. Our team has designed the application to create a hassle-free learning environment for both educators and learners.

To know the Advanced Teaching & Learning tools, click on the video, it will help you to understand the features & how to use them daily.

## MEDWHIZ FOR COMPLETE ACADEMICS

MedWhiz has introduced the Advanced Learning Management System for Medical colleges & Allied Health science wherein Different ways of Teaching & Learning is covered through MedWhiz LMS, For Professors/Educators, MedWhiz acts as a Professor's Tool where your entire classroom activity is performed & saved in Data pool center of your Institute, following this methodology will help Institution to develop courses wise Institutional Educational Content which can be reused in different ways at the same time.

MedWhiz provides secure login to the students wherein they learn, communicate, evaluate & maintain their Academics journey as History which can be an asset to the students for their entire life. Owning MedWhiz LMS in an Institute/Universities will allow you to maintain Quality Assurance in Education while Digitally performing, Monitoring, Tracking, Notifying, Exams & Evaluation, Reports & Analysis in just one click with MEDWHIZ LMS.

## MEDWHIZ IMPACTING CME

MedWhiz has Designed & implemented, The Advanced Digital Learning Management System for Each & Every faculty of the Medical Education Department Whose impact has brought a huge change in the Entire Education System, as Medwhiz has connected the minute Dots of CME (Continuous Medical Education) by the new way of Teaching & Learning through a Digitalised platform where in Traditional ways of Teaching is blended with Technologies and saved in your Institutional Data pool while grooming your clinical skills.

MedWhiz has opened a Gateway of DIGITAL EDUCATION WORLD for Medical Education Department, wherein the Aim of the Institute, To gift the Expert Doctors, Paramedics & The Health Workers to the Nation to make this aim successful Medwhiz has deliberately worked with the Institutes/Universities & Designed, Implemented the Advanced Learning Management System which is along with your Academics courses your clinical skills & Patient handling methodology is also taken care.

## MedWhiz Inbuilt Content For Medical Education

3D Models

MedWhiz provides you an Advanced Digital Learning platform which is pre-equipped with the Stereoscopic Audiovisual Medical & Paramedical Lecture series. Along with the Lecture series, MedWhiz is also equipped with 3D Anatomical Human Body Organs which are very useful in understanding the Depth of Human Anatomy.

MedWhiz has not ended the content journey with this as, Defined MedWhiz is trying to bring new ways of Teaching & Learning with the best available sources which can bring a huge impact and support for Medical Education.

### MedWhiz content journey

2D/3D Videos

Know More

- Medical Audiovisual Lecture Series
- Dental Audiovisual Lecture Series
- Nursing Audiovisual Lecture Series
- 3D Anatomical Human Body Organs & Demonstrative Elements
- Allied Health Sciences Audiovisual Lecture Series
- Clinical Learning
- Surgical Learning

## Why MedWhiz LMS ?

MedWhiz is been recognized as the best LMS for Medical Institutions, as it caters to the complete requirement of Medical & Health Science Courses. The entire system journey is being Focused & Designed in a way where from your Classroom Teaching & Learning, Demonstrative Teaching & Learning, Enhancing Clinical Knowledge is being facilitated with best available resources & the content which acts as a Professor's Tool & adds Beauty to their way of Teaching. This Blended approach towards the students makes the Academics more interactive & Interesting for them.

MEDWHIZ has Groomed the Traditional way of Teaching & Learning by welcoming the Digital Technologies which will help the Institute/ Universities to follow Quality Assurance Education system wherein we follow the Performance-based Grading System which itself bring the awareness of Healthy competition within the Institution/University's Which will fulfill the Aim of gifting the Expert Doctors & Health Workers to the nation and soon INDIA will be leading with best Digital Health Education System.

- Digital Academic System.
- Exams & Evaluations.
- Clinical Expert Support system.

- Reports & Analysis.
- Calendar & Notifications.

## MedWhiz Support

Going forward in digital education MedWhiz has delivered the best support and training to their clients. MedWhiz team works round the clock as understanding the need and the complexity of the users. MedWhiz is happy to announce along with the support and training MedWhiz has also taken the initiative for free customization support according to the needs and requirements of the university/institution.

**Dr Raj Kumar**  
Professor of Anatomy

Gulbarga institute of Medical Sciences.

I am very thankful to RGUHS & MedWhiz for providing this platform to teach students. Before that, we have tried other apps for teaching but ultimately MedWhiz is very convenient and very easy to operate. and we all teachers are very happy with this platform to teach with Medwhiz. Thank you Medwhiz team for providing us with this wonderful platform in this difficult time to make it easy to teach online. it was our 1st experience teaching online, most of us not aware of & used to teach online. but after using Medwhiz we are feeling comfortable.
