

KLE SOCIETY'S INSTITUTE OF DENTAL SCIENCES, BENGALURU

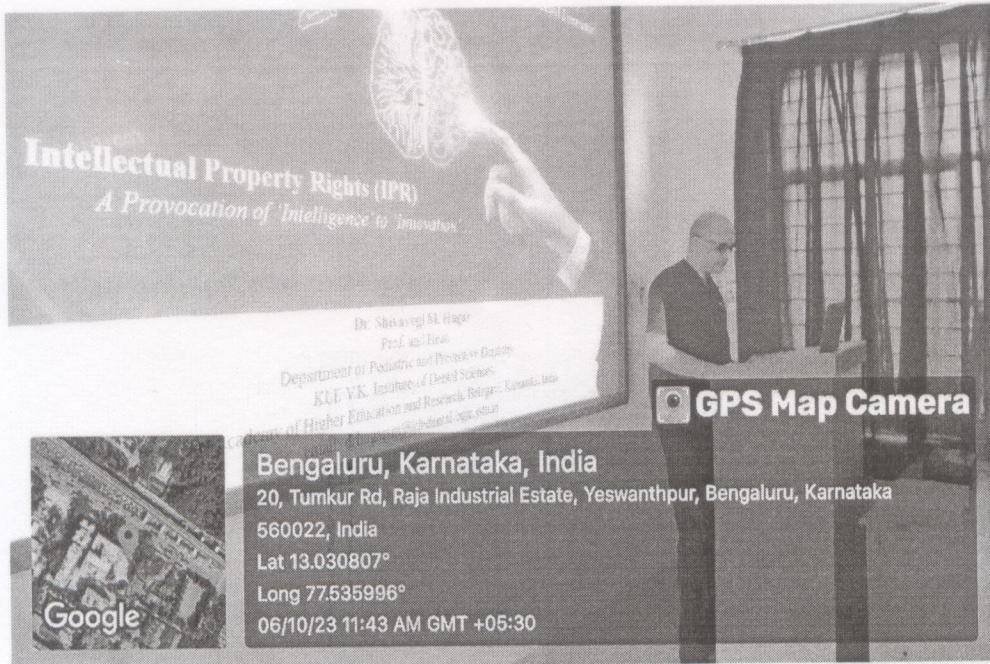

REPORT

A ROAD MAP TO INTELLECTUAL PROPERTY RIGHTS FROM A DENTAL PERSPECTIVE

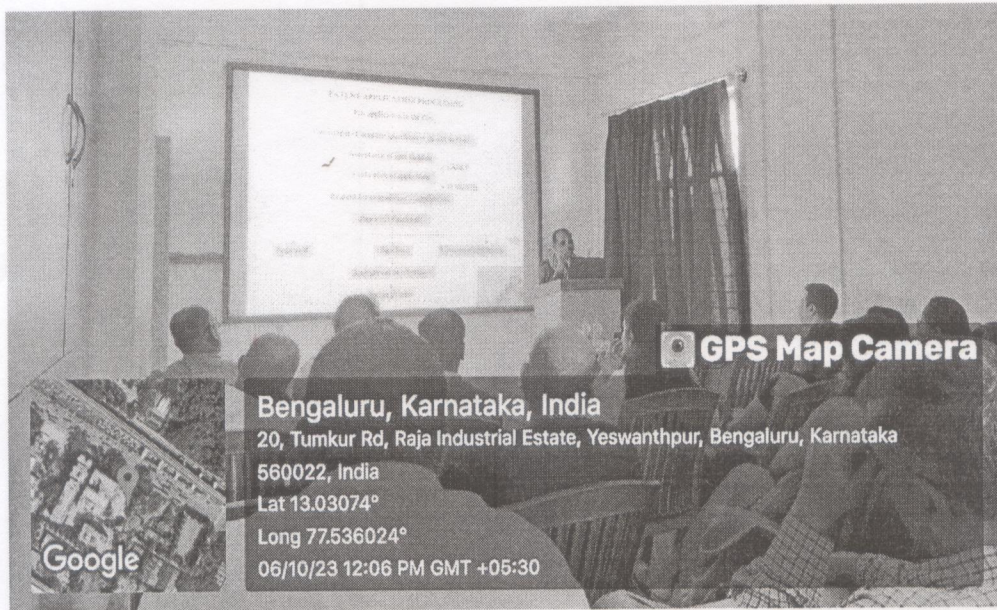

A CDE program was organised by Department of Pediatric and Preventive Dentistry on 6th October 2023. Dr Shivayogi Hugar Professor and HOD KLE Dental College, Belgaum was invited as a speaker. He enlightened the gathering about Intellectual Property Rights. Faculty from other departments and post graduates of the college attended the same. The program was well appreciated by everyone.

PROGRAM:

(Tick the appropriate)

International:

National:

SPEAKERS: Dr. Wasundhara Bhad (Patil)

**DEPARTMENT/COLLABORATIONS: Department of Orthodontics in
collaboration with Bangalore Orthodontic Study Group**

DETAILS OF THE PROGRAM:

The CDE Program was conducted on- “Clinical Research and Innovations- Need of the Hour” by distinguished guest speaker Dr.Wasundhara Bhad (Patil), Dean of GDC Mumbai.

The program was very well appreciated by both teachers and students.

The Table clinic competition was held for clinical innovations and students could interact with the table clinic presenters. The faculty had a Q & A session with the presenters and decided on a winner which was motivating for the students.

Quiz related to research was held and all students participated very enthusiastically.

TOTAL NUMBER OF DELEGATES: 93

Brochure;

The brochure is divided into two main sections. The left section is a white background with a dark red header containing three logos: IOS (Rational Ethical Clinical Excellence 2023-24), Urdwan Education Society, and Bangalore Orthodontic Study Group. Below the logos, the text reads: "KLE Society's Institute Of Dental Sciences, Bengaluru Department of Orthodontics and Dentofacial Orthopedics In Association With Bangalore Orthodontic Study Group presents a CDE Program on Clinical Research and Innovations – Need of the Hour Distinguished Guest Speaker Dr. Wasundhara Bhad (Patil) Dean & Professor Government Dental College & Hospital, Mumbai 30/04/2024 KLE Society's School Auditorium Rajajinagar, Bengaluru Tap for location". The right section has a light yellow background and is titled "Guest Speaker". It features a portrait of Dr. W. A. Bhad (Patil) and lists her qualifications: "1989: Government Dental College & Hospital, Nagpur Master of Dental Surgery: Orthodontics & Dentofacial Orthopedics 1982: Government Dental College & Hospital [Nagpur] Bachelor of Dental surgery 33 years of teaching experience Post-graduate Guide: 20 years Ph.D. Guide: Since 2014 Areas of research Diagnostic aids Genetic studies Newer materials Myofunctional appliances Accelerated orthodontics". Below this, it lists "Awards" including "Best Teacher Award" by Maharashtra Health University of Health Sciences, Nashik (2011-2012), "2018 B.F. and Helen E. Dewel Award" by American Journal of Orthodontics (2018), a monogram by PIMS University, Loni, and an IOS award for best scientific paper (2021). It also lists "Patents 03" (Magnetic Bite blocks, 3-D Titration Apnea Device, and an electronic sensor) and "Copyrights-15" for teaching learning and assessment.

REMARKS:

The Staff and the student delegates appreciated the lectures since the programme was very informative and gave them an insight into the world of research in orthodontics. All the participants had the interactive sessions with the speaker. The Table clinic and E-posters were well appreciated. The feedback for the programme was very good.

2. 13-03-2024:**Play the ring and win the thing** (Games for patients)
3. 13-03-2024:**Posterolic** (e-poster contest for I B.D.S)
4. 13-03-2024:**Etch and sculpt** (Paint/Sketching for II BDS)
5. 13-03-2024:**Cons-endo escapades** (subjected related games for III BDS)
6. 14-03-2024:**Endoshotgun** (quiz for final years)
7. 14-03-2024:**Isolate to succeed** (workshop on rubber-dam for interns)
8. 14-03-2024:**Look through loupes** (For II BDS)
9. 14-03-2024:**Orientation to microscope** (For IV BDS)
10. 1-03-2024: **Digital Daily Contest** on Instagram page
11. 1-03-2024: **Reel it Contest** on Instagram page

COLLABORATIONS: In Association with IACDE and ACE K

DETAILS OF THE PROGRAM: CONS ENDO WEEK Celebration started on 13th march 2024(Wednesday). On this day, **patient education program** was organized in the reception area to create awareness among the patients about the Cons -Endo specialty. Games for patients like **"Play the ring and win the thing"** and **"Flash mob"** were also conducted.

On 01-03-2024 subjected related digital contests were put up regularly throughout the month on the department Instagram page **"kleconsendo"** and winners were announced weekly based on the ability to give right answers quickly and consistently throughout the week. **"REEL IT"** Contest was also announced where the students were asked to send in their reels on the Instagram page. Three winners were selected and the best reels were shared on the page.

"Posterolic" was announced for **I B.D.S** Students on 13-03-2024. The students were asked to send in their e-posters on the theme **"Restorative Dentistry"**. The students presented the posters in the classrooms during the lecture in front of the jury.

On 13-03-2024, **"Etch and sculpt"** was conducted for **II B.D.S** students from 1.45pm to 2.45pm in D.M lab pertaining to endo-cons theme and 3 students were chosen as the winners. On 14-03-2024, **"Look through loupes"** was a lecture and demonstration conducted to orient students to

loupes. Every student was then given an opportunity to look through their pre-clinical work using loupes.

On 13-03-2024, “**Cons Endo Escapades**” was conducted for **III B.D.S** students from 9.00am to 11.00pm. The students played various subjected theme based fun games and 3 winners were selected. Crossword puzzles were also circulated in the class and 1 winner was chosen based on lowest time taken to solve them.

On 14-03-2024, “**Endoshotgun**” was a kahoot quiz conducted for **IV B.D.S** students and the three winners were chosen. The students were also given a demonstration to orient them to dental microscope using extracted teeth.

On 14-03-2024, “**Isolate to succeed**” was conducted which was a workshop to educate the interns about different methods of rubber dam isolation. A lecture was held followed by a demonstration and hands-on.

Winners of the competition

1. Posterolic Contest

Ist prize – Saniya Rafath and Osman ali
IInd prize – Saumya Ganesh and Shaik Hafsa
IIIrd prize – Arya Rao and Abhay

2. Etch and sculpt

Ist prize – Nagarathna G. N.
IInd prize – Anvitha S. M.
IIIrd prize – Raja Nikhilesh

3. Cons Endo Escapades

Ist prize – Aryan Das
IInd prize – Sabah
IIIrd prize – Vaishnavi
Crossword Puzzle –Ankith

4. Endoshotgun

Ist prize – Malaika Shetty
IInd prize – Drishti Mishra
IIIrd prize – Khushi R G

5. Reel It Contest

Ist prize – Quartul Ain, Shravanthi and Ruckshika
IInd prize – Sharanya, Shravani and Vaishnavi
IIIrd prize – Chidanand and Shridhar

6. Weekly contests (digital)

Dr. Sudarshan Sajjan

DEPARTMENT/COLLABORATIONS: Department of Oral Implantology in collaboration with Dentium

DETAILS OF THE PROGRAM:

The program was open to the interns, post graduate students and staff of all departments and general practitioners. The first module was conducted over a period of three days. On the first day, the program started off with an inauguration ceremony in the presence of the Principal of the Institution and Dentium India Head. This was followed by a series of lectures conducted by the three speakers. The day's program culminated by demonstration of implant placement on models by Dr Sudarshan.

On Day 2, lectures on implant complications and suturing techniques were given. This was followed by demonstration of suturing techniques by Dr. Sphoorthi. The participants of the program then placed implants on the models and did a hands-on of suturing techniques on the same under the guidance of Dr. Supriya, Dr. Sphoorthi and Dr. Sudarshan. Day 2 ended with a live-demonstration of implant placement on a patient by Dr. Sudarshan.

The final day of the first module was busy with all participants placing implants on patients under the guidance of Dr. Supriya, Dr. Sudarshan and the staff of Oral Surgery Department after attending a lecture by Dr. Sudarshan on importance of anatomical landmarks.

No. RGUHS/Reg (E)/QP/22/2023

Date: 06.12.2023

CIRCULAR

The Rajiv Gandhi University of Health Sciences, Karnataka has planned to improve the quality of student assessment, so as to make it more compliant for competency testing in the university examinations. To enable such a goal, it is decided to capacity-build the teachers of affiliated colleges in all the areas of student assessment.

As the first step towards it, we will be focusing on the quality of Question Paper setting for the University examinations. In this regard, it is planned to provide intensive orientation on QP setting to all the teachers of affiliated institutions in a phased manner.

In the first phase, a batch of teachers from each faculty will be trained as Master Trainer for the Project – Quality Initiatives in Theory Based Assessment (ProQIT), at the University, in batches of 30 participants from same faculty. Applications are therefore invited from all the affiliated institutions to nominate one teacher who has the aptitude and commitment to be trained, and further on, train other teachers, in the form that is herewith attached.

The teacher whom you are nominating shall have at least a Certificate of Basic Course in Medical Education from RGUHS, or an Apex Body, or the certificate of FCEM on LMS conducted by RAATI. In case the teachers do not have such certification, please contact the RGUHS Academic & Training Institute's LMS page on support@raatilms.in, and enrol for the FCEM on LMS Course.

The master trainer workshops are scheduled from January 2024. Therefore, you are required to lodge your applications in hardcopies to Director, RGUHS Academic & Training Institute (RAATI), Jayanagar 4th T Block, Bengaluru – 560041, on or before 22.12.2023.

REMARKS: The Pro-QIT workshop was conducted as per the guidelines of RAATI under the guidance of Dr. Munir Ahmed Sir and it was successful in achieving the objectives of the program. The Schedule and Background reading materials were mailed in advance to Course Coordinator to keep the number of copies ready on the days of program. Feedback forms were collected by participants on workshop evaluation. Positive feedback was provided by the participants about Workshop and a Resource person, as an effective program with improvement of knowledge in Post-test, except for time duration given for workshop and participants requested that such workshops should be conducted for two days at least, as it enhances their deep learning about Educational Methodology and preparation of Assessment Blueprint. Workshop was a whole effective program along with expression of attending such more and more workshops by university, at least once in a year to update their knowledge in Educational Methodology. 100% of participants showed their acceptance of Pro-QIT workshop by RAATI of RGUHS.
